

Profile form for female postdocs for the application as mentee in the ARIADNE*TechNat* mentoring programme *postdoc*⁺ at Friedrich-Alexander-Universität Erlangen-Nürnberg

Candidates for the ARIADNE *TechNat* mentoring programme have to submit a written application and attend a selection interview. Official confirmation of acceptance will be given once the selection process has been completed.

All information in this application form is voluntary and will be treated confidentially, complying with all applicable data protection regulations. Data will only be used within the context of the ARIADNE*TechNat* mentoring programme and will be deleted after the programme has been completed. The data is used during the selection process, as well as for finding the best possible match of mentor and mentee. The information you give us helps us find the right mentor for you and tailor the programme to match your needs.

If you wish to be included in the alumni database of the programme, you may agree to the storage of your contact information at the end of this form.

Please fill in this form electronically and send it as signed pdf document by email to the programme coordination:

ariadne-technat@fau.de

Please note: Please do not send by registered post! You will be sent an e-mail confirmation once we have received your application.

1. Personal details

Title

Last name, first
name

Date of birth

Child(ren)

Work address

Chair

Street, no.

3. Career plans

What are your career goals?

Next planned stage in your career:

4. Participation in the mentoring programme

Have you already participated as a mentee in a similar programme?

Yes

No

If yes, in which one?

Please give a brief overview of what you hope to achieve by taking part in the ARIADNE mentoring programme:

During which time period will you be at FAU?

5. Mentoring: Hopes and expectations regarding the mentor

Which subject areas would you like your mentor to specialise in?

I would prefer it if my mentor was

a woman

a man

gender is irrelevant

Do you already know of someone at Friedrich-Alexander-Universität Erlangen-Nürnberg whom you would like as a mentor?

Please note that your mentor should not be your supervisor, a direct superior or someone whom you report to.

I would like my mentor to (several options may be chosen):

Give me support when making decisions concerning my future career

Help me with work-related issues (time management, self-management, presentation)

Provide information on structures, processes and the ins and outs of academic research

Give me the option of accompanying him or her to meetings, conferences, congresses

Provide information on receiving research and third-part funding/help me with completing applications for research funding applications

Introduce me to academic networks

Give me tips and strategies for planning my career

Give me an insight into international university structures and stays abroad

Give me tips on how best to balance work and family

Other:

6. Seminar programme (seminars, workshops, information events)

I would appreciate events on the following topics (several options may be chosen):

Training in applying for jobs and professorships	Research funding and applying for third-party funding
Presentations/participating in conferences	Analysing potential and career planning
Academic publications	Teaching at university level
Self-management and time management	Scientific writing
Management skills and conflict management	Social media in the context of academic careers
Work-life balance, balancing research and family	Other:

7. Personal interests/suggestions

The success of a mentoring relationship also depends last but not least on the 'chemistry' between the mentor and the mentee. You can make it easier for us to find a successful match for you by giving us some additional information on your personal interests outside of work/research:

8. Inclusion in the alumni database

I would like to attend alumni network meetings and agree to a storage of my contact information

Yes

No, I refuse to save my contact information.

Consent

I agree to the above information being used for the selection procedure and mentoring within the context of the ARIADNETechNat mentoring programme.
