

Mentee profile form

ARIADNE*TechNat* Mentoring-Programme doc at Friedrich-Alexander-Universität Erlangen-Nürnberg

Candidates for the ARIADNE *TechNat* mentoring programme have to submit a written application and attend a selection interview. Official confirmation of acceptance can only be given once the selection process has been completed.

All information in this application form is voluntary and will be treated confidentially, complying with all applicable data protection regulations. Data will only be used within the context of the ARIADNE*TechNat* mentoring programme and destroyed after the programme has been completed. The data is used during the selection process, as well as for finding the best possible match of mentor and mentee. The information you give us helps us find the right mentor for you and tailor the programme to match your needs.

Please fill in this form using a computer and send a signed copy by email to the programme coordinators:

ariadne-technat@fau.de

Please note: Please do not send by registered post! You will be sent an e-mail confirmation once we have received your application.

1. Personal details

Title

Last name, first name

Date of birth

Child(ren)

Work address

Chair

Street, no.

Post code, town/city

Phone

E-mail

Preferred e-mail address

Home address

Street, no.

Post code, town/city

Phone

Mobile

E-mail

Preferred e-mail address

Which of the addresses would you like to use as a contact address for the programme?

Work address

Home address

Assuming you are accepted for the programme, would you like to be included in an internal e-mail list allowing mentees to share experiences and get in touch with each other more easily?

Yes

No

2. Academic career

Degree

	Bachelor's degree	Master's degree or Diplom
Faculty		
Department		
Subject		
Year of graduation		
Final grade		
Specialisation (s)		

Academic career

Have you obtained confirmation of supervision for your doctoral degree?

Yes

No

Have you registered?

Yes

No

Topic/specialisation

Supervisor

Planned date of completion

To what extent do you intend continuing to pursue an academic career after completing your doctoral degree?

Could you see yourself completing a habilitation?

Yes

Perhaps

Rather unlikely

No

Don't know

Please give a brief outline of your academic career since completing your degree and describe your current position (type of position, connection to FAU):

Please give a brief outline of your current research project:

Please state your most important academic publications (no more than five):

3. Career plans

What are your career goals?

Next planned stage in your career:

4. Participation in mentoring programme

Have you already participated as a mentee in a similar programme?

Yes

No

If yes, in which one?

Please give a brief overview of what you hope to achieve by taking part in the ARIADNE mentoring programme:

5. Mentoring: Hopes and expectations regarding the mentor

Which subject area would you like your mentor to come from?

I would prefer it if my mentor was

a woman

a man

gender is unimportant

Do you already know of someone at Friedrich-Alexander-Universität Erlangen-Nürnberg whom you would like as a mentor?

Please note that your mentor should not be your supervisor, a direct superior or someone whom you report to, and that there is no need for the mentor to come from your specific subject area.

I would like my mentor to (several options may be chosen):

Give me support when making decisions concerning my future career

Help me with work-related issues (time management, self-management, presentation)

Provide information on structures, processes and the ins and outs of academic research

Give me the option of accompanying him or her to meetings, conferences, congresses

Provide information on receiving research and third-part funding/help me with completing applications for research funding applications

Introduce me to academic networks

Give me tips and strategies for planning my career

Give me an insight into international university structures and stays abroad

Give me tips on how best to balance work and family

Other:

6. Seminar programme (seminars, workshops, information events)

I would appreciate events on the following topics (several options may be chosen):

Presentations/participating in conferences

Academic publications

Self-management and time management

Management skills and conflict management

Work-life balance, balancing research and family

Other:

Research funding and applying for third-party funding

Analysing potential and career planning

Teaching at university level

Scientific writing

Social media in the context of academic careers

7. Personal interests/suggestions

The success of a mentoring relationship also depends last but not least on the 'chemistry' between the mentor and the mentee. You can make it easier for us to find a successful match for you by giving us some additional information on your personal interests outside of work/research:

Consent

I agree to the above information being used for the selection procedure and mentoring within the context of the *ARIADNETechNat* mentoring programme.
